

RETURN GRILLES AND REGISTERS SERIES

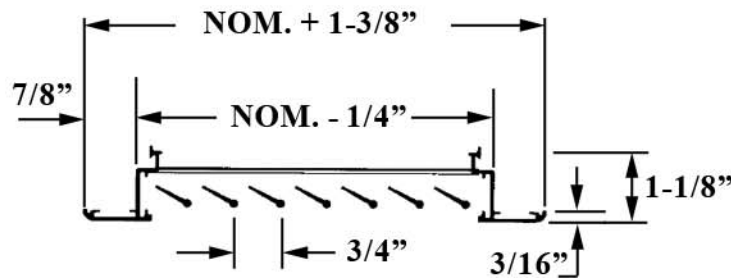

THINLINE RETURN GRILLE

MODELS: T-RA

SUSTAINABLE EXTRUDED ALUMINUM

Dimensions are in inches (mm)

T-RA

T-RA

Thinline Return Grille

DESCRIPTION:

1. Frame and blades are 6063 extruded aluminum alloy with 200-R1 satin anodized finish.
2. The frame has a typical wall thickness of .050", and is separated from blades by an extruded rigid PVC track that becomes an integral part of the frame. This method of assembly eliminates corrosion and vibration.
3. An optional opposed blade damper is attached to the return grille with positive-locking spring clips. It has the same aluminum construction and is screwdriver-operated through the face of the unit.
4. Available in clear anodized, white or a variety of custom colors.
